

## 1995/96 EVENT CALENDAR

April 23-26	<b>VIRTUAL REALITY AND SCIENTIFIC VISUALIZATION</b>	<b>Hangzhou:</b> 'International Workshop on Virtual Reality and Scientific Visualisation'. Contact Prof. Shi Jiaoying at Zhejiang University: Fax +86 571-7951358, email cs_shijy@zUNET.ihep.ac.cn	<b>China</b>
April 25-27	<b>ITEC 1995</b>	<b>The Hague:</b> International Training Equipment Conference and exhibition. Contact International Training Equipment Conference Limited on Tel. +44 985-846181, Fax. +44 985-846163	<b>The Netherlands</b>
May 20-26	<b>CHINA AMUSEMENT SHOW</b>	<b>Shanghai:</b> China Shanghai International Amusement Machine Show, sponsored by China's Council for the Promotion of International Trade. Contact organisers (in Japan) on: Fax. +813-3220-2508	<b>China</b>
May 22-25	<b>VIRTUAL REALITY '95</b>	<b>San Jose, California:</b> conference, workshops and exhibition. Contact Meckler on: Tel. 800-632-5537 (USA only), or +1 203-226-6967, Fax. +1 203-454-5840	<b>USA</b>
June 12-14	<b>VIDEO 95</b>	<b>La Coruna:</b> conference on 'Visualisation Tools for Intelligent Design in Engineering and Architecture'. Contact Wessex IOT on: Tel. +44 (0)703-293223, Fax. +44 (0)703-292853	<b>Spain</b>
June 13-15	<b>TILE 95</b>	<b>Maastricht:</b> The International Conference & Exhibition on Technology and Design in Leisure Attractions & Museums. Contact Andrich Int'l on: Tel. +44 (0)985-846181, Fax. +44 (0)985-846163	<b>The Netherlands</b>
June 25-30	<b>VIRTUAL REALITY TECHNOLOGY</b>	<b>St Petersburg - Great Lakes:</b> cruise/conference organised by the State Research Institute of Aviation Systems. Contact Dr Sergei Zheltor on: Fax +7 095-1575097, email zhl@fenix.nias.msk.su	<b>Russia</b>
June 26-30	<b>VIRTUAL REALITY &amp; ITS APPLICATIONS</b>	<b>Leeds:</b> The Computer Graphics Society's CG International '95 conference. Enquiries to Prof. J.A.Vince, on: Tel. +44 (0)293-563722 or 562822, Fax. +44 (0)532-563680	<b>UK</b>
July 13-15	<b>SIMULATION &amp; INTERACTION IN VIRTUAL ENVIRONMENTS</b>	<b>Iowa:</b> workshop sponsored by ACM Siggraph, the Office of Naval Research, and the University of Iowa Center for Computer Aided Design. Details at <a href="http://www.cs.uiowa.edu/~cremer/sive95.html">http://www.cs.uiowa.edu/~cremer/sive95.html</a>	<b>USA</b>
July 16-21	<b>1995 IMAGE SIG SYMPOSIA</b>	<b>Scottsdale, Arizona:</b> a joint meeting of the Image Society's eight Special Interest Groups, plus twelve VR-relevant professional development courses. Details from <a href="mailto:image@acvax.inre.asu.edu">image@acvax.inre.asu.edu</a>	<b>USA</b>
July 19-20	<b>VR IN SCIENCE &amp; ENGINEERING</b>	<b>Royal Society, London:</b> international conference for the scientific, engineering and medical communities. Contact Steven Whalley at BT Labs on: Tel. +44 (0)473-643812, Fax. +44 (0)473-649791	<b>UK</b>
August 2-4	<b>VR &amp; PERSONS WITH DISABILITIES</b>	<b>San Francisco:</b> Third Annual International Conference, organised by Center on Disabilities, Cal. State Northridge. Contact organisers on: Tel. +1 818 885-2578, Fax. +1 818 885-4929	<b>USA</b>
August 6-11	<b>SIGGRAPH 95</b>	<b>Los Angeles:</b> large-scale graphics, VR and multimedia conference, workshops, film shows and exhibition. Contact the organisers on: Tel. +1 312-321-6830, Fax. +1 312-321-6876	<b>USA</b>
September 13-15	<b>AMUSEMENT MACHINE SHOW</b>	<b>Chiba:</b> Japan Amusement Machine Manufacturers Association annual show. Contact JAMMA on: Tel. +81 33438-2363, Fax. +81 33438-2721	<b>Japan</b>
September 18-19	<b>VISUALIZING TIME-VARYING DATA</b>	<b>Williamsburg, Virginia:</b> Symposium sponsored by the Institute for Computer Applications in Science & Engineering, and NASA Langley. Contact Emily Todd at NASA Langley on email: <a href="mailto:emily@icase.edu">emily@icase.edu</a>	<b>USA</b>

	AFRICA	ASIA	AUSTRALASIA	EUROPE	N. AMERICA	S. AMERICA
September 19-21		<b>COMPUTERS IN MANUFACTURING</b>		<b>Birmingham:</b> 'The UK's manufacturing IT show for design and manufacturing solutions'. Includes CAD/CAM, simulation & VR. Contact Robert Bell on: Tel. +44(0)1932-564455, Fax. +44(0)1932-560009		<b>UK</b>
September 21-23		<b>AMOA EXPO</b>		<b>New Orleans:</b> Major US arcade/LBE exhibition, usually with a selection of VR systems on show nowadays. Contact the organisers on: Tel. +1 312 644-6610, Fax. +1 312 321-6869		<b>USA</b>
September 26 - 28		<b>ITEC ASIA</b>		<b>Singapore:</b> International Training Equipment Conference and exhibition. Contact ITEC on: Tel. +44 1985-846181, Fax. +44 1985-846163 (UK) or Tel. +1 (703) 522-1820, Fax. +1 (703) 522-1885 (USA)		<b>Singapore</b>
October 11-13		<b>DIGITAL MEDIA WORLD</b>		<b>Singapore:</b> large-scale new Siggraph-like event, including animation, simulation, visualisation & VR. Contact London organisers: Tel. +44 (0)81-995-3632; Singapore agent: Tel. +65 334-3363		<b>Singapore</b>
October 18-20		<b>SPATIAL MULTIMEDIA &amp; VIRTUAL REALITY</b>		<b>Lisbon:</b> Conference and exhibition sponsored by the European Science Foundation. Contact Fatima Correia on: Fax. +351 1294-2441, email gap@mail.fct.unl.p		<b>Portugal</b>
November 9-10		<b>FIVE '95</b>		<b>London:</b> First Annual Conference of the European ES-PRIT Working Group 'Framework for Immersive Virtual Environments'. Contact Mel Slater at QMW Univ. of London (mel@dcs.qmw.ac.uk)		<b>UK</b>
November 13-16		<b>IITSEC</b>		<b>Albuquerque, New Mexico:</b> 17th Interservice/Industry Training Systems and Education Conference (military/industry/academia). Contact ADPA on: Tel. +1 703-522-1820, Fax. +1 703-522-1885		<b>USA</b>
November 14-18		<b>IAAPA</b>		<b>New Orleans:</b> International Association of Amusement Parks & Attractions annual show. Contact IAAPA on: Tel. +1 703-836-4800, Fax +1 703-836-4801		<b>USA</b>
November 15-17		<b>UIST '95</b>		<b>Pittsburgh:</b> Eighth Annual Symposium on User Interface Software and Technology, sponsored by ACM Siggraph and SIGCHI. Details on <a href="http://www.cc.gatech.edu/gvu/uist95/uist95top.html">http://www.cc.gatech.edu/gvu/uist95/uist95top.html</a>		<b>USA</b>
November 28-30		<b>COMPUTER GRAPHICS EXPO '95</b>		<b>London:</b> large-scale European Siggraph-like event, including animation, simulation, visualisation & VR. Contact the organisers on: Tel. +44 (0)81 995-3632, Fax. +44 (0)81 995-3633		<b>UK</b>
November 29 - December 2		<b>NY VIRTUAL REALITY EXPO '95</b>		<b>New York:</b> conference, workshops and exhibition. Contact Meckler on: Tel. 800-632-5537 (USA only), or +1 203-226-6967, Fax. +1 203-454-5840		<b>USA</b>
January 6-9		<b>WINTER CES</b>		<b>Las Vegas:</b> major international Consumer Electronics Show. Contact Electronic Industries Association on: Tel. +1 202-457-8700, Fax. +1 202-457-4901		<b>USA</b>
January tba		<b>MEDICINE MEETS VR</b>		<b>San Diego:</b> international conference on the use of VR in surgery and medicine. Contact organisers on: Tel. +1 619-751-8841, Fax. +1 619-751-8842		<b>USA</b>
January 23-25		<b>ATEI</b>		<b>London:</b> Amusement Trades Exhibition International - major exhibition for the arcade industry. Contact ATE on: Tel. +44 (0)71-713-0302, Fax. +44 (0)71-713-0446		<b>UK</b>
February tba		<b>IMAGINA</b>		<b>Monte Carlo:</b> international film and animation conference and exhibition, with increasing VR content in recent years. Contact organisers on: Tel. +33 9315-9394, Fax. +33 9315-9395		<b>Monaco</b>
